

## The Lasalle Avenue Project

Volume 58 07.03.15

### Lasalle Avenue from 8th Street to Grant Street

#### FOR THE WEEK OF JULY 6-JULY 10

From 8th Street to 10th Street, City crews will continue working on foundations and conduit for street lighting and traffic signals along with prep work for sidewalk replacement.

Private utility companies will be raising and making final adjustments to their manhole structures.

From 10th Street to 12th Street we will continue work on curb and gutter and driveways.

The section of Lasalle Avenue from 10th Street to 12th Street will continue to be restricted to northbound traffic only. Southbound traffic will be detoured on 9th Street, Hennepin Avenue and 12th Street (see MAP A). This detour is expected to remain in place for several weeks. Future updates will provide more information.

We do appreciate your patience and understanding as we proceed with this project. Our goal is to keep you informed of our plans and schedule as we proceed and to fully construct the new Lasalle Avenue as quickly as possible.
